

# ALL-STAR PARADES

## Green Cove Springs Christmas Parade 2021 Information

### Where do we start?

The parade begins in the grass field next to the Springs church. We are unit **B44**. The drop-off is to turn onto Governor Street and drive into the church parking lot from the back. After dropping off, you will exit back onto SR17. The drop-off area opens at 4:15 and closes promptly at 5pm (SR17 will be closed at 5pm). If you arrive later, you will need to park and walk to the staging area by the church. The **parade starts at 6pm**. The organizers suggest parking anywhere down Palmetto Ave.

### Where do we end?

The parade will be marching down SR17 on the west side to Ferris Street, do a U-turn, and march back up SR17 on the east side (a little under 2 miles). We will end in the grass lot at the corner of SR17 and Lamont Street (just past the CVS and across from the courthouse). We ask that you pick up your children immediately at the end of the parade route. We are number 57 of a total of 72 marching units.

### What does my twirler wear?

Every twirler will need to have a White ATA Shirt. You can wear a long sleeve shirt underneath if you want. This is the same shirt as last year so you do not need to get a new one unless you need one. All twirlers should also wear black gym shorts or long pants and tennis shoes or tan twirling shoes. You are welcome to accessorize with a santa hat or Christmas light if you want.

You can bring something to drink (with your name on it) as we will have a cooler.

### Can I walk in the parade with my child?

If you are interested in walking in the parade, please let us know in advance. Space is limited, but we do appreciate the help.
